Adm 30.01 Authority. Section 20.921 (1) (a) 4., Stats., authorizes state employees to designate payroll deductions for charitable purposes approved by the department of administration and the governor.

History: Cr. Register, March, 1980, No. 291, eff. 4-1-80.

Adm 30.02 Purposes. The purpose of this chapter is to ensure that:

(1) Only approved charitable organizations are permitted to be designated for payroll deductions by state employees.

(2) The funds contributed by state employees by means of payroll deductions are used for the announced purposes of the charitable organizations.

History: Cr. Register, March, 1980, No. 291, eff. 4-1-80; am. (1) and (2), Register, March, 1982, No. 315, eff. 4-1-82.

Adm 30.03 Definitions. In this chapter, unless the context requires otherwise:

(1) "Charitable organization" means any corporation or other entity described in internal revenue code section 501 (c) (3) and exempt from federal income tax under internal revenue code section 501 (a) and supported in part by voluntary contributions from the public and which, unless exempt by state law, is registered with the department of safety and professional services as a charitable organization.

(2) "Contribution" means money or property, including the promise to pay, or payments for merchandise, advertising or other rights when a representation is made by or on behalf of a seller or solicitor that the whole or any part of the consideration will be given to a charitable organization. "Contribution" does not mean funds obtained by a charitable organization through grants from a governmental agency. The amount of the contribution when a sale is made is the sale price less the cost to the charitable organization of the item sold.

(3) "Secretary" means the secretary of the department of administration.

(4) "Umbrella organization" means an entity which serves as the agent of a group of charitable organizations. An umbrella organization shall endorse the program objectives of the other charitable organizations for which it acts as agent, and shall accept responsibility to ensure that the charitable organizations for which it acts as agent comply with all the requirements of this chapter. The umbrella organization shall be a charitable organization.

History: Cr. Register, March, 1980, No. 291, eff. 4-1-80; am. (4), Register, July, 1986, No. 367, eff. 8-1-86; correction in sub. (1) made under s. 13.92 (4) (b) 6., Stats., Register December 2011 No. 672.

Adm 30.04 Approval. Only those charitable organizations which have been approved by the secretary pursuant to the requirements of this chapter may be designated by state employees for a payroll deduction.

History: Cr. Register, March, 1980, No. 291, eff. 4-1-80.

Adm 30.05 Requirements. (1) TYPE OF ORGANIZATION. Only charitable organizations are eligible for approval.

(2) UMBRELLA ORGANIZATION. Only charitable organizations that are members of an umbrella organization will be approved for a payroll deduction. Each umbrella organization must have as members at least 5 charitable organizations, each of whom must meet all of the requirements of this chapter. Any charitable organization may, under the provisions of this chapter and in conjunction with 4 other charitable organizations, form an umbrella organization.

(3) FEDERAL EXEMPTION. Each charitable organization must submit a copy of the internal revenue service ruling indicating that it is an exempt organization under internal revenue code section 501 (c) (3). An advance ruling on its exempt status shall meet this requirement.

(5) INTEGRITY OF OPERATIONS. Funds contributed to charitable organizations by state employees must be used for the announced purposes.

(9) FINANCES. Each charitable organization shall obtain annually from an independent licensed certified public accountant, an audit opinion which indicates that financial statements have been prepared in accordance with generally accepted accounting principles applicable to the nature of the organization. The charitable organization must conduct its fiscal operations in accordance with a detailed annual budget which is prepared and approved at the beginning of each fiscal year by the board of directors. Prior authorization by the board of directors shall be required for any significant variation from the approved budget.

2. The charitable organization shall not sell or otherwise permit others to use lists of its contributors.

4. There shall be no mailing of unordered tickets or merchandise with a request for money in return.

(b) Except for the requirement of par. (a) 1., any of the requirements of this section may be waived by the secretary if the charitable organization is otherwise in compliance with this chapter and the charitable organization has presented a reasonable justification for a fund raising practice otherwise prohibited hereunder.

(11) NONDISCRIMINATION. The charitable organization shall have a policy and procedure of nondiscrimination in regard to race, color, religion, national origin, handicap, age, or sex applicable to persons served by the charitable organization, applicable to charitable organization staff employment, and applicable to membership on the charitable organization's governing board.

(12) ANNUAL REPORTS. The charitable organization shall prepare an annual report available to the general public which

includes a full description of the charitable organization's activities including types of solicitation for contributions, the names of its chief administrative personnel, and a full disclosure of the source and use of contributions. The charitable organization shall also prepare and make available to the general public an annual financial report which shall be certified by an independent certified public accountant.

(13) SPECIAL REPORT. To determine compliance with this chapter and upon request, the charitable organization shall submit a special report giving such information as may be requested by the secretary.

The secretary may, as a matter of administrative convenience, determine that there will be only one payroll deduction for charitable contributions from each employee's paycheck, and that the total amounts deducted from state employees' salaries for charitable purposes, either on a state-wide or area-wide basis, shall be paid to one umbrella organization for distribution. If this procedure is followed, the total charitable contributions shall be sent to the umbrella organization designated by all umbrella organizations as their agent for this purpose, and the actual distribution to each umbrella organization or charitable organization shall be the responsibility of the designated umbrella organization.

History: Cr. Register, March, 1980, No. 291, eff. 4–1–80.

Adm 30.11 Removal from list.
